Greenlight a Vet Campaign

A New Movement to Support our Veterans

America's veterans are some of our nation's bravest and hardest-working men and women. While sometimes it may be difficult to visibly show a sign of support for our veterans, the Greenlight A Vet campaign is meant to establish a noticeable national support for our veterans simply by changing one light to green.

Green is the color of hope, renewal and well-being. "Greenlight" is also a term commonly used to activate forward movement. This campaign is intended to spark a national conversation regarding the recognition of veterans, and "greenlight" them forward as valued members of our communities.

To participate, change one light to green in a visible location - on your porch, in your home, or at your office - and keep it glowing every day as a symbol of appreciation.

Pictured here is Eastridge Senior Living Resident and one of our treasured vets, Mr. Morton Schwartz, under our own green light to honor this movement.
