Balloon Hockey

In the spirit of hockey championship season, residents got in on a game of Eastridge Senior Living's very own version of hockey with balloons and pool noodles! Residents used their pool noodles as their hockey sticks and a balloon as their puck, competing with one another to see who could score the most goals. The game was a hit!

Summer Crafting

Recently, a group of residents created brightly colored crayon artwork using colors of their choice. It is a simple activity consisting of crayons and a canvas, and was a blast to create. They all turned out looking fantastic!
