HELLO, EASTRIDGE!

My name is Marena Robinson, LPN. I am beyond excited to be joining the Eastridge family and getting to know everyone personally. I have been in the medical field for 10 years now. I have experienced several different aspects of healthcare and love every bit of it! I started my medical journey as a first responder, then I moved up to a CNA position, and currently I will be an LPN as part of the Eastridge family. In my personal time I enjoy spending quality time with my wonderful family outdoors as much as possible. Since I have been blessed with this position, my hopes are to assist this community on a journey to a life that thrives in love, happiness, and comfort. I can't wait to see what we can all accomplish together!

ST. PATTY'S DAY

Eastridge resident and staff enjoyed some fun times in honor of St. Patrick's Day. With sayings like "Shamrockin' my Mask" and "Wash hands before pinching" on photo booth props, everyone got a chance to grab a few friends and take some pictures.

THE SOUNDS OF MUSIC

Eastridge Senior is happy to announce a generous donation from Ms. Neva and the Faulk family. We look forward to much beautiful music coming from this lovely piano.

WELCOME, YOSHA!

Yosha is a native of Lake Charles, LA, but recently moved to the area due to Hurricane Laura. She has worked with elderly and disabled people of all ages for many years. She is grateful to be a team member and looks forward to many new and exciting activities with Eastridge residents.

OUR MISSION

Our mission is to operate and manage the highest level of quality independent and assisted living communities, providing superior service and unmatched value where residents and their family members are shown compassion, understanding, respect, dignity and caring support, and team members feel a sense of belonging.
