## WE'VE GOT THE DOUGH!

Pretzel dough, that is. Eastridge residents recently made their own delicious pretzels. With a few kneads, some simple twists, and a basting of butter, each person made their customized snack. There are few things in the world as comforting as freshly baked goods, so this was a treat that satisfied both soul and body.

# LET'S PLAY!

When the weather doesn't cooperate with outside plans, Eastridge simply moves the games inside. Residents were not deterred by the windy weather, but instead enjoyed the outside game time, inside! These residents really know how to have fun, no matter the forecast.

## OUR MISSION

*Our mission is to operate and manage the highest level of quality independent and assisted living communities, providing superior service and unmatched value where residents and their family members are shown compassion, understanding, respect, dignity and caring support, and team members feel a sense of belonging.*
