## The Vermilion Spotlight

*Ms. Dolores Gautreaux*

Dolores was born in Abbeville, LA, in February of 1929 to Walton Warren Miller & Emrite Louise Broussard.

Dolores was married to James Gautreaux for 55 years and together they have two children, Walt and Suzanne, plus six grandchildren.

She was a school teacher for 18 years. Ms. Dolores got her education late in life, so she says it's never too late!

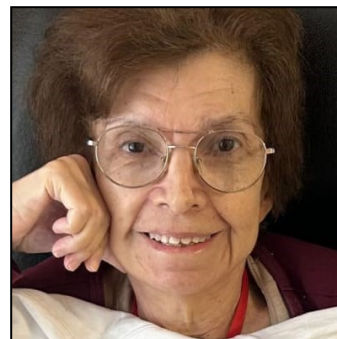

When asked what her favorite thing to do is, Ms. Dolores said she enjoys just about everything but housework!

Her advice to the younger generation is, "Be true to yourself!"

Congratulations, Dolores!

## Welcome Corner

The Vermilion is pleased to welcome Ms. Frankie James to her new home.

The Vermilion at Eastridge would like to thank Champagne's of Erath for donating birthday cakes. We appreciate the beautiful and delicious cakes they make for our dear residents. To order your next cake from Champagne's, call 937-8163 or stop by their store on S. Kibbe Street.

Frank Lloyd Wright said, "The longer I live, the more beautiful life becomes."

Assisted Living Week was filled with love, laughs, and memories to last a lifetime! The Vermilion thanks our awesome staff for making this week fun and memorable for all of our residents!

*Our Mission*

Our mission is to operate and manage the highest level of quality independent and assisted living communities, providing superior service and unmatched value where residents and their family members are shown compassion, understanding, respect, dignity and caring support, and team members feel a sense of belonging.

### *Reminders and Announcements*

- All monthly rent is due by the 5th of each month.
- Transportation for doctor appointments occurring after 2:30 pm will incur an additional fee.
- Newspapers are to be distributed by staff only.
- The covered area is for drop-off and pick-up only.

### *Our Philosophy*

Our philosophy is based on the definition of Assisted Living - To foster independence for each resident, treat each resident with dignity and respect, promote individuality, allow each resident choice of care and lifestyle, and protect each resident's right to privacy.
